

HOUSE RULES

Other people:

Guests are requested not to bring, or invite people other than those who are a party to the booking to the premises.

Pets:

Guests are reminded that they should not bring any pets to the premises as this is a rural area, a registered Agricultural Holding and a County Wildlife Site.

Celebrations:

We are happy for you to hang balloons and banners to celebrate anniversaries, but please do not pin anything to the woodwork, or stick anything to the walls.

Electric vehicle charging:

We do have a dedicated EV charger. Under no circumstances should electric vehicles be plugged into any other household socket, internal or external.

Smoking:

Smoking of any kind is not permitted on any part of the premises, indoors or outside due to the risk of fire in this rural area.

Fire alarms:

We use ships bells as they do not need testing and can be clearly heard. There is one at the back and one at the front of the house. If you need to use it in anger ring it continuously so as not to confuse it with false alarms.
